B 乌敏岛寻幽探秘 Adventure At Pulau Ubin --

The Last Kampong In Singapore

We will go on the extensive boardwalk and discover the natural wonders at **Chek Jawa**, one of Singapore's richest ecosystems. Followed by the **Nature & Culture Walk** at the main village where we can see how the islanders live and work quite unchanged since the 1960s. We will also have the opportunity to visit the Herb, Vegetable, Fruit and Medical Plant Garden, Coconut Plantation, Fruit Orchards and the Mangrove Ecosystem to view its biodiversity. This is a tour not to be missed by all nature lovers!

Date: 23/11 (Wed) Time: 8:00am-4:00pm Fees: \$88

C 与“鱼”共眠— 夜宿海底世界 2 Days 1 Night "Living In The Ocean" Camp

Imagine sleeping with the sharks, dugongs, giant groupers, stingrays and other colourful inhabitants of the ocean!
